Embark on a transformative journey and help the world move from Confusion to Clarity at the Thinking Matters Conference 2024.

This event is dedicated to those seeking answers in a world brimming with philosophical, ethical, and spiritual questions. Through a series of engaging talks, interactive workshops, and thought-provoking discussions, our expert speakers will guide you through the complexities of faith, reason, and modern challenges to Christian belief.

Whether you're wrestling with doubts, eager to deepen your understanding, or looking to equip yourself with reasoned arguments for your beliefs, this conference is designed to provide clarity and confidence in your spiritual journey.

Join us as we navigate the waters of confusion, together emerging with clearer minds and a stronger faith.

WHAT TO EXPECT

Universe by Design	Navigating Culture: Living Faithfully in Complex Times	Theology of the Body - How our bodies image God and what this means for the Christian call to love
